

Call for proposals

for

a non-repayable financial contribution for subproject from the block grant financed by the Norwegian Financial Mechanism and the state budget of the Slovak Republic

Reference number of the Call: NPOA/2009/01

opened

on October 27th, 2009

Block Grant

“Opening doors to new arenas of co-operation”

(2008 – 2011)

Intermediary of the block grant

1. Introduction

The block grant “Opening doors to new arenas of co-operation” is intermediated by the Civil Society Development Foundation (CSDF/NPOA), and is part of the implementation of the Norwegian Financial Mechanism (NFM at www.eeagrants.org) financed from the NFM and the state budget of the Slovak Republic.

The block grant is focused on the NFM priority sector “Regional policy and cross-border activities.”

2. Goal of the block grant

The capacity building for cross-border cooperation and implementation of regional development strategies aimed at sustainable development of the target geographic area: poor regions, districts, municipalities in East Slovakia bordering with Ukraine.

3. Focus of subprojects

The current call for proposals for a non-repayable financial contribution (NFC) for subproject from the block grant “Opening doors to new arenas of co-operation” financed from the Norwegian Financial Mechanism and the state budget of the Slovak Republic covers following areas:

- developing and strengthening professional capacities of districts and municipalities in the border region aimed at cross-border co-operation as the tool for the sustainable development of poor East Slovak regions
- developing the role of private sector and cross-sector co-operation in local and regional sustainable development of the Slovak-Ukraine cross border region
- strengthening the participation of minority groups in society
- cross-border project co-operation on the local, regional and national level between the partners from the Slovak Republic and Ukraine as the tool for the sustainable development of the target region

Eligible activities include capacity building, strengthening competence, educational activities, information dissemination, trainings, workshops, research related to the regional development and cross-border sector, publications, information forums, exchange of experts, bilateral cooperation, development and implementation of innovative models of cooperation.

Detailed information about priorities, focus and eligible activities within the block grant “Opening doors to new arenas of co-operation” are contained in the Manual for applicants for non-repayable financial contribution from the block grant “Opening doors to new arenas of co-operation” financed from the Norwegian Financial Mechanism and the state budget of the Slovak Republic – further “Manual for Applicants” that is available on the website (www.npoa.sk).

4. Eligibility provisions

4.1 Eligible applicants

Organizations eligible to apply for NFC of the subprojects must fulfill the following criteria:

- to be non - governmental organizations or public administration bodies (state administration authorities, public administration authorities, local self-governments) of the Slovak Republic;
- to be registered in the Slovak Republic;
- to be open and have no religious or ideological conditionality for their membership;
- to prove the status through official registration documents;
- to be responsible for preparation and implementation of the subproject and not be in an intermediary position;

4.2 General provisions

Provision of the non-repayable financial contribution (NFC)

Applicant can apply to NPOA for NFC ranging from **5,000 € (minimal amount)** to **150,000 € (maximum amount)**. The limit of the financial contribution from the Block grant can constitute maximum **90 % of total eligible costs of the subproject**. The applicant must prove in the application the availability of minimum 10 % co-financing the subproject from own or other sources. In-kind contribution can constitute maximum 2 percent of the proposed budget.

The budget must be submitted by the applicants in €.

4.3 Eligible expenses

Eligible expenses are costs expended by the final recipient that:

- are necessary and directly relate to the implementation of the subproject;
- are in line with the approved budget of the subproject;
- occurred during the eligible period;
- are supported by the accounting documents and by the supporting documentation.

Eligible period will be specified in the Contract on provision of the NFC between NPOA and the final beneficiary. Eligible period shall start on after the day following the signing of the Contract by both parties.

More detailed provisions on eligible expenses are contained in the “Manual for applicants for non-repayable financial contribution from the block grant “Opening doors to new arenas of co-operation” financed from the Norwegian Financial Mechanism and the state budget of the Slovak Republic.
